

About this form

If you are starting out in self-employment you need to tell us straightaway. If you are not starting within 28 days you cannot currently apply. If you delay registering as self-employed you may have to pay a penalty. You may have to pay further penalties if payments become due and you do not pay on time and in full. Instead of downloading a form, go to [register your business for HMRC taxes](#). It's quicker and easier.
